Dear sir,

I am a Japanese aviation historian and a member of the Air force historical foundation. also specialist of the North American P-51 Mustang. I have seen your name in Feb. 1, 1967 issue of the Air Force Times page of letters to the editor with article on Reunion of the 475th fighter group Sept. 1967. I have especially interest 475th fighter group in Korea and Itazuke or Ashiya A.F.B., Japan 1945-1951. I would like to obtain private photos of the P-51 Mustang which flew 475th fighter group at Korea and Itazuke or Ashiya, Japan from old war album of former members of 475th fighter group, for my book. I have a plan to publish pictorial book of ~~the~~ P-51 Mustang in the future. I would like to write letter to former members of 475th fighter group. I would like to obtain roster of 475th fighter group members. can you loan to me roster of 475th fighter group members? I will be returned to you after reproduction them by air mail.

I await your letter by air mail please write.

Sincerely,

Tadao Shibusawa
