Historical Foundation

Thank you for visiting the 475th FG Foundation website and for your inquiry about your family member who served and sacrificed for our freedom. We try to answer your questions in a timely manner but confess the pandemic has slowed our search efforts. In order to help improve the quality and amount of information we provide, we would like to ask you to please complete this online form. We intend to improve the quality of our website information and continually strive to update the history and commitment by the remarkable young Americans of the 475th.

Thank you for your patience and help!
